

My 4-H Year-End Project Story

This is the story of my _____ project for the year 200____. This is my _____ year in this project. I took this project because I wanted to: _____

Some of the things I did or made were: _____

This year I:

- exhibited at the Kenosha County Fair. The thing(s) I exhibited were: _____
- gave a presentation about this project at: _____
- helped another member who was also enrolled in this project by: _____
- received help from someone with my project. That person was:
 - my project leader.
 - my parent.
 - another 4-H person (junior leader, member in project, etc.)
 - someone else. Name(s) (optional): _____
- feel my project year -----
 - was fantastic and stayed on-track.
 - was enjoyable -- I can't wait to take it again next year.
 - chugged along -- I could have used more help.
 - was disappointing.

I feel this way because: _____

Turn over to find out more about my project and one of the things I did.

Here is a story about **ONE** of the things I did or made during this project year. That is

To do this, I used these supplies:

It took me about _____(hours/days) to do or make.

When I finished, I felt it:

- Turned out great!
- Thought it was okay.
- Had a few problems, but worked them out.
- Could have been better.
- Totally flopped.

This is a record of my expenses to complete my project. (Not for use by animal projects.)	
<i>Item</i>	<i>Cost</i>
	\$
	\$
	\$
	\$
	\$
<input type="checkbox"/> It did not cost my anything because:	

I feel this way because:

If I were to have purchased the item I made:

- I could have found it at: _____
- it would have cost about: _____
