Kenosha County 4-H Project Discovery Day is sponsored by the Kenosha County 4-H Council, Inc.
**Cake Decorating** - A great hands on lesson of how to “complete” some basic cake decorating techniques like stars, drop flowers, leaves and writing. Please bring the following supplies: 2 disposable decorating bags – 2 standard couplers – tip numbers 2, 22, 224, 352 (any tip close to the number required is good) If you don’t have the above supplies, some will be available to use. Frosting will be provided. (Two sessions offered)  
Session presented by Abby

**Fun with Fondant** – Learn how to make your own and then work with fondant to create a small cake and fondant molding. Everything provided. (Two sessions offered.)  
Session presented by Donna Zarovy.

**Robotics** – Tech Wizards will be teaching youth how to build WEDO robots. You will build robots and learn about the programming that is used to create movement for the robot. It is not limited to making robots, but also build animals, soccer players, and much more (robots provided).  
Session presented by Kaylee

**Theater Arts – Puppet animation**, use motion to bring puppets to life with movement, show emotion through movement and create characters, is your character shy or bold meek and wild or wild and uncontrolled, build a puppet adventure story.  
Session presented by Bob and Sherry Ludeman

**Soap Making** – Learn how to make your very own soap.  
(One Session) Session presented by Holly Weis

**Robo Planters** – Participants will design and create a one of a kind robot like planter using recyclable objects. Upon completion of the robo-planter, a small house plant will be planted in it.  
Session presented by Master Gardeners

**Dog** – Members of the Dogs project will lead their dogs through the 10 steps of the CGC, the Canine Good Citizenship test. The CGC is the building block for all other Dogs Project classes as a beginner obedience class.  
(Two Sessions) Session presented by Jax and Danielle

**Foods** - Let’s make Dog treats! Participants will learn recipes for multiple homemade dog treats, and be able to bring some home for their furry four-footed friends.  
(One Session) Session presented by Raina Hodgson

**Cheese making** - Homemade mozzarella is fun to make and tastes delicious! Participants will make 1 lb of cheese to take home and have the resources to order supplies to make more at home.  
(One Session) presented by Raina Hodgson

**Shooting Sports** - Please join us for a Nerf Blaster Funshop! We will be playing family friendly games like Capture the Flag and Last One Standing, where everyone will shoot and be shot. If able, bring your favorite LABELED blaster(s). We will have loaner blasters available as well. Safety glasses (supplied by host) are required by all participants. All participants are expected to have a red AND a blue shirt for team assignments. All ammo will be supplied by the host.  
(One Session) presented by Paxton

**Tie a Bow** – Learn different ways of tying bows for presents, along with how to wrap the box for a total gift look!  
(One Session) presented by Donna and Debbie Zarovy
