

What is Annie's Project?

Annie's Project is an opportunity for farm women to learn about farm management skills and strategies in a comfortable setting.

- Provides resources and information to improve your farming operation
- Classes are small
- Participants are other farm women from your county/area
- Opportunities to network with other farm women in similar situations

UWEX, U.S. Department of Agriculture, and Wisconsin counties cooperating. UW-Extension provides equal opportunities in employment and programming, including Title IX & ADA.

Why Investing & Estate Planning specifically for farm families?

Farm families have unique characteristics when considering retirement and estate planning issues for their business and their families.

This workshop series is an opportunity to learn about cash flow & income statements, off-farm investing for retirement, and to discuss estate planning issues for the farm business.
