The Official Newsletter of Kenosha County 4-H

December 2013

Dear 4-H Members and Friends,

“Giving back to an organization that gives you so much.” What does this statement mean to you? We are all probably involved in many different organizations (church, sports, schools, etc.) One thing that we all have in common is that we are involved in Kenosha County 4-H.

What have you received from your participation in 4-H? Have you had the opportunity to be around caring adults, learned a new skill from an adult or youth leader, participated in 4-H camp, gone on a 4-H club trip, learned how to improve your projects at the county fair, or learned important life skills through 4-H? Hopefully you've grown as an individual and can think of something you have received because of 4-H.

Now, what have you given back to Kenosha County 4-H? I'm not talking about money; I'm talking about commitment, participation and enthusiasm. Many of our 4-H clubs have completed a “To Make the Best Better” activity. In almost all of the clubs that have completed this activity, one of the outcomes has been a desire to increase participation in their 4-H club.

Please consider volunteering for a task the next time your club officer or club leader asks for help. It's nice to be personally asked to help, but sometimes that is not possible. Consider just coming forth and volunteering. We have many opportunities for you to do that in the clubs or in the county level. Just think what we could accomplish if every one of our 300+ Kenosha County 4-H families volunteered to help with just one club activity and county activity every year!

Have a wonderful Holiday Season!

Club Minutes

Bristol Challenge

December holds great things for Bristol Challenge.

Through the work of members completing paperwork, presenting to the Youth as Resources (YAR) board, and then purchasing fabric, we will be able to make blankets for the homeless shelters with grant moneys received. We received \$260!

Here are upcoming dates for our club:

Tuesday, December 3, we will meet at the Chapel for our monthly meeting. We will host a food drive for the community, and also exchange \$1 gifts among the club members. The \$1 gift should work for girls or boys and not have any nuts. We will hear demonstrations from photography and from cake decorating members.

Saturday, December 7, Donna Zarovy will share food decorating secrets. Bring \$3 to offset her supplies and bring home goodies! Mrs. Zarovy will begin at 10 am at the Chapel.

Saturday, December 7, at that same time as the cookie decorating, those not working with food are asked to help cut fleece purchased with our YAR grant money. Many hands make light work! The cut fabric will be tied in January.

Monday, December 30, 3 pm, bowling at Old Settlers' Lanes in Union Grove. The lanes are on Hwy 11, west of Hwy 45. Ninety minutes of bowling, shoe rental, and pizza after the bowling costs just \$9. Any members who bring three non-perishable items can lower their bowling cost to \$6. We will pay the difference through club treasury, as we decided through a vote at our October meeting.

So....Tuesday meeting with gift exchange, Saturday with cutting or with food, Monday bowling. So much fun in December for our group!

Happiness and contentment this month,

Priscilla Kopczynski and Regina LaForge

Bristol Strivers

A big thank you! To the Foerster family, for hosting the Fall Fun fest at their farm.

There is a Cloverbuds group project that was completed with the help of youth members Paige and Payton along with Mrs. Walkington and Mrs. Millhouse.

On-line registration was discussed and dues collected tonight.

Member's records books were returned to the members. The awards will be given next month since the leader did not get to the office in time to hand out this month.

Bristol Striver's Club scrapbook. Angie asked for a parent volunteer to oversee the group has a scrapbook completed for this coming years fair. Mrs. Millhouse, and Mrs. Sweeney volunteered. She will oversee some of the youth members from the group to assure we have it completed in time.

Angie talked about the two children that our group will be sponsoring for the Sharing Center this year. We have asked that 4-6 families help with both the boy and girl to assure we can make this holiday special for them.

Thank you to all of those who brought in gently used winter coats, sweaters, snow boots and school supply items to be given to the sharing center.

Goals and adult led volunteers were requested to run the Jan and Feb meetings.

Everyone agreed that ringing bells for Salvation Army would be another great community Service Project. Angie will be checking for dates in December.

December's meeting will be short so we can share holiday treats, and decorate our annual candy cane reindeers to give to the Senior Center.

Home Lite dates were reviewed as well as Cloverbuds and Leadership dates were given.

Angie Nelson, General Leader

Dog Project

The end of the year banquet was on November 4th.

Here is a short recap of what we did that night.

We recognized our Leaders who headed the project and Junior Leaders who helped throughout the year. Thank you for making this year a big success.

We had a three way tie this year for the "Above and Beyond Award". Congratulations to Paxton, Christy and Haleigh. You all did a fantastic job.

A big fair well goes out to Haleigh P who graduated from 4-H. We will miss her very much, but we all hope she comes back as a leader next year.

We had many CGC (Canine Good Citizen) award recipients. Great job for making it through your first year.

There were many other awards that were given out and more people recognized. You all did an outstanding job.

Many things went big at the Auction as we all gathered around to see what we could buy with our doggie dollars. There were a range of options to choose from including gift cards, mystery boxes and even a very comfy chair. It was a blast for all who were able to attend.

The 2014 year starts in January. Please watch your emails and Home Lite for information.

Congratulations to all who completed this year and hope to have you back next year.

Grace H.

Foods Project

The Foods Project will be meeting on the 2nd Wednesday of December (11th) 7pm at Central High School. Hope you can join us.

Fishing Project

The November meeting was well attended. Lot of important things were discussed about leadership and the raffle. We would like to thank Melanie Hartnek for stepping up and becoming our new treasurer. We would also like to thank those who volunteered to help us this year. Grace one of our junior leaders did a fantastic job of teaching the kids Ice Fishing

101. All those who attended the meeting received an ice fishing hand out.

There will be a board meeting December 12th at the KCC @ 6:00PM.

Please note the following changes.

The ice fishing outing planned on Paddock Lake Saturday January 11th, 2014, has been changed to KD Park pond in New Munster. The park is located on Hwy KD south of Hwy 50. This is a kids' derby only put on by the Kenosha County Parks Department. The kids will receive a prize for fish caught, and/or participation. Time of fishing will be coming soon.

Thursday January 9th there is an adult only meeting at the KCC @ 6:30PM Room A. This is a very important meeting as this will be to plan and sign up for the raffle. All parents are required to help out with the raffle in some way. As of this Home Lite, the raffle date has not yet been confirmed. We have been unable to contact the Conservation Club. As soon as we have a date we will be sending out a e-mail to let everyone know.

The Lake Delavan outing in June is scheduled for Saturday June 14th. Please note that this is a change from our original schedule.

All members please be sure that you are receiving e-mails. If you are not receiving e-mails please contact us. Ice fishing is approaching, e-mails will be sent out for ice and weather conditions, what lakes are producing fish, what bait is being used, etc.

For new members: If you have not attended any meetings there is a lot going on in the project that we are not able to put in the Home Lite. There is a schedule and handbook that every family needs to help them understand what the project is all about.

Thanks

Horse Project

Sponsors and deadlines and parent points, OH MY! It's a new project year, therefore, an entirely new set of deadlines and requirements to meet. But no worries, we've got your back.

For one, always read your Home Lite Newsletter. The Home Lite will have helpful reminders and dates that will guide you throughout the project year. You can also ask a board member if you have any questions or contact Kim Springer who is the "New Member Liaison". If you need extra forms, the Kenosha County 4-H website has them at <http://kenosha.uwex.edu/4-h/horse-program>. You will also find all handouts, the Horse Project book, show bills and the attendance record there as well.

In order to be in the 4-H Horse PROJECT, you need to be enrolled as a member of a 4-H CLUB (if you haven't already, you may enroll at <http://kenosha.uwex.edu/4-h/4-h-on-line/>) 4-H Clubs meet throughout all of Kenosha and Kenosha County and have their own set of requirements that vary between each CLUB. From

your CLUB you can join a PROJECT (this is where the 4-H Horse Project, Horseless Horse Project and Model Horse Project come in).

As a Horse Project member you will need to attend a minimum of 5 Horse-Project meetings. A combination of mini-camp, clinics and Countywide Meetings can be utilized to meet the requirement; however, three of the meetings MUST be the actual Countywide Meetings (held on the 3rd Wednesday of the month at Central High School). If you would also like to join the Horseless Horse Project, you will need to attend a minimum of 6 of the Horseless Horse Meetings (this is in addition to the minimum of 5 Horse Project meetings). You need to be a member of the Horse Project in order to be a member of the Horseless Horse Project. Karen Ziemann is the chairperson for the Horseless Horse Project.

You may also join the Model Horse Project. Charlene Karls is the chairperson and she will be setting up meeting dates and a model horse show for you too. Meeting requirements are set up for your benefit. Meeting requirements may seem overwhelming, but they have been set up to make your learning experience fun and educational. The meetings are held to keep you informed of upcoming show dates, clinics, workouts, deadlines, updates and used as an educational forum. Feel free to ask a member who has been in any of the Horse Projects how they have benefited from the meetings and how they "work out" the busy schedule.

With that in mind, here are a few dates and deadlines to remember:

Next Countywide Meeting is January 15th at Central High School 7 PM (no Countywide Meeting in December). We ask that each project member bring a movie themed or dog themed item to the January 15th meeting to donate to the silent auction baskets for the Tack Sale. Money raised at the tack sale will benefit the project as a whole.

- Horseless Horse Meeting on January 10th Central High School at 7 PM
- January 26th from 9 AM – 1 PM Tack Sale at Wilmot High School (volunteers needed)
- Model Horse Meeting at 6:30 PM before the February 19th Countywide Meeting at Central High School
- May 10th and 11th are the schedule Mini-Camp dates
- Pleasure Show Series Dates: May 18th, June 8th July 20th (rain-date) and August 3rd
- Pre-Fair is July 12th
- Gymkhana Show Series Dates: June 14th, July 19th and August 23
- March 21 – 23: AYHC Symposium in Minneapolis
- April 11-13: Midwest Horse Fair
- May 9-10: Horse Bowl/Hippology in Wausau
- June 27-29: Hunter/Jumper-Dressage in Sheboygan
- September 6-7: Gymkhana
- September 11-14: Expo

Sponsorships (minimum of \$30) are due by February 28, 2014

2014 is the 100th Year of 4-H

2014 Arts Lab

The 4-H Art Lab will be held January 31 – February 1, 2014, at our State 4-H Environmental Center, Camp Upham Woods, Wisconsin Dells. The registration deadline is January 6, 2014. The registration fee is \$50.00. 4-H Art Lab is sponsored by 4-H Arts and Communications.

The mission of the Art Lab is to provide an in-depth and focused experience in the “art track” of choice. This year’s tracks include Jewelry Making, Basic Spinning, Taekwondo, Digital Storytelling, Photography, Print Making and Theatre Arts! Each participant will choose one track for the entire weekend.

4-H youth and adults will select one of a wide variety of educational tracks to go “in depth” and explore the art form that interests them the most! Participants will also work together in large groups for team building and sharing.

Why not get a group of youth and adults together from your county for a weekend of fabulous 4-H bonding and ART!

Additional information, a brochure, the registration form and other required forms (***please see note below regarding the other forms that are required***) are on the 4-H website at www.uwex.edu/ces/4h/events/artsleadership.cfm

State Arts Team Applications

If you have ever dreamed of singing or performing on stage or if you love artwork or writing, here’s your chance to use your talents and share your gifts by being a part of the following Wisconsin 4-H State Teams: 4-H Showcase Singers, 4-H Drama Company, 4-H Arts Team or 4-H Press Team! Youth who are selected to any of these state teams perform and assist with various projects at the state level related to art. All you need to do is complete a short application and/or either attend an in-person audition or submit a video tape.

Applications are due by **January 28th**! For more information go to the State 4-H Website at:

<http://www.uwex.edu/ces/4h/events/State4-HTeams> or call the UW-Extension Office at 857-1945.

KENOSHA COUNTY 4-H PINEWOOD DERBY RACE

Monday February 24th, 5:00 pm
Kenosha County Center
19600 75th Street, Bristol, WI 53104

The Kenosha County 4-H Council, Inc. is proud to announce the 4th Annual Kenosha County 4-H Pinewood Derby Race. All 4-H members, leaders and parents are encouraged to participate. Although all participants will race against each other, awards will be given by placing in the following divisions:

Cloverbuds	Elementary Division	Middle School Division	High School Division	Adult Division
Younger - 2 nd Grade	3 rd – 5 th Grade	6 th – 8 th Grade	9 th – 13 th Grade	18 and older

Each car must pass inspection by the official inspection committee before it will be allowed to compete. Cars that do not meet ALL these requirements will not be allowed to compete:

- The car weight shall not exceed 5.0 ounces. The official race scale shall be considered final.
- The overall length of the car shall not exceed 7 inches.
- The overall width of the car shall not exceed 2 ¾ inches.
- The car must have 1 ¾" clearance between the wheels.
- The car must have 3/8" clearance underneath the body.
- The block may be shaped any way that is desired, but the wood provided in the kit must be used and the "stamp and number" must remain visible to ensure that construction took place during the current 4-H year.
- The wheels supplied with the kit must be used. The wheels may not be cut, drilled, beveled or rounded. You may remove the seam from the wheels.
- The axles supplied with the kit must be used. They may be polished or lubricated.
- Wheel bearings, washers or bushings are prohibited.
- The car must be freewheeling, with no starting devices and must not ride on any type of springs.
- No loose material of any kind, such as lead shot, may be used, but details such as the steering wheel, driver, decals, painting, and interior detail are permissible as long as these details do not exceed the maximum length, width, and weight specifications.

In addition to the construction requirements, the following Racing Rules will be enforced:

- If, during a race, a car leaves the track without interfering with its opponent, it shall be considered to have ended its heat at that point.
- If a car leaves its lane, at his sole discretion, the track chairman may inspect the track and, if a track fault is found which probably caused the initial violation the track chairman may order the race to be rerun after the track is repaired.
- If, during a race, no car reaches the finish line on the track, the car which went the farthest in its lane shall be declared as the heat winner.
- If, during a race, a car leaves its lane and, in so doing, interferes with another racer, then the car at fault shall be declared to have lost the race heat.
- Only one car may be registered by any person in the Pinewood Derby.
- Only dry lubricants such as graphite or powdered Teflon "white lube" will be allowed for lubricating the wheels. Lubricants may not foul the track.

Registration Information

A registration fee of **\$5 per person** is due to your 4-H Club by **December 13th, 2013**. The fee will cover the cost of one car kit which includes a block of wood, wheels and nails. All other materials are not provided. Car kits will be distributed to 4-H Clubs in January.

Kenosha County 4-H Project Discovery Day is sponsored by the Kenosha County 4-H Council, Inc

University of Wisconsin, U.S. Department of Agriculture and Wisconsin counties cooperating. An EEO/AA employer, University of Wisconsin Extension provides equal opportunities in employment and programming, including Title IX and American with Disabilities (ADA) requirements.

4-H Project Discovery Day Session Descriptions:

Please choose at least three and rank them in the order of 1, 2, 3, or 4 on the form.

Beaded Jewelry Basics- Learning to make your own beautiful beaded necklaces, bracelets and earrings is fun and easy. Come and learn the basic techniques of jewelry making! In this class you will learn the proper use of various tools and supplies available for jewelry making. We will explore various beading wires, clasps and also crimping and finishing techniques. This class will provide a solid foundation for moving onto other jewelry techniques. By the end of class, participants may complete a bracelet and pair of earrings made from glass beads.

Cake Decorating - A great hands on lesson of how to "complete" some basic cake decorating techniques like stars, drop flowers, leaves and writing. Please bring the following supplies: 2 disposable decorating bags – 2 standard couplers – tip numbers 2, 22, 224, 352 (any tip close to the number required is good) If you don't have the above supplies, some will be available to use. Frosting will be provided. (Two sessions offered) *Session Presenter: Sue Grulich*

Cupcake Creations – Take your cake decorating skills and add in a few sprinkles and other goodies to create all kinds of cupcakes no matter your cake decorating skill level. Everything provided. (Two sessions offered.) *Session Presenter: Donna Zarovy.*

Dog – Beginner - There will be a brief demonstration of obedience. Then there will be a demonstration of the CGC (canine good citizen) test, which is needed to move to a higher level in the project. See the fun you could have where "Dogs and Kids Go Hand In Paw". (Two sessions offered) *Session Presenter: Amanda Boss*

Dog – Showmanship -- Showmanship classes and demonstrations from the dog project will be explored. (Only one session offered) *Session Presenters: Amanda Boss*

Iron Chef - Teams will compete against each other to create an appetizer and a dessert using the secret ingredient. (Only one session offered) *Session Presenters: Raina and Paxton Hodgson*

Homemade Pasta – Spaghetti, fettuccine, lasagna. Learn how easy it is to make fresh pasta at home. (Only one session offered) *Session Presenters: Raina and Paxton Hodgson*

Making Frosting Roses – For the more experienced cake decorator – learn how to make frosting roses and put them into an attractive design on your cakes. Please bring a decorating bag and rose tips and #352 leaf tip (#124 and/or #104). Frosting provided. (Two sessions offered) *Session Presenter: Donna Zarovy.*

Photography for Beginners - Do you want to take better pictures but don't know where to begin? This class will introduce participants to the basic fundamentals of photography. We will explore the rules of photography, basic settings on the camera and what they do as well as discover what equipment is actually needed to take quality photos. You will learn how to get the most out of your camera and develop an eye for taking the perfect picture.

Intermediate Photography - There is a big difference from taking a picture and creating an image with your camera. Break you out of "auto" mode and learn about ISO, aperture and shutter speed. You will learn how to apply these fundamentals of photography to shooting pictures manually with your camera. We will also explore depth of field and composition of a good photo. You will also receive tips and tricks for taking photos of people, nature and landscapes.

Advanced Photography - You have a good understanding of your camera and can operate it in manual mode, you know the basic principles of photography, now what? You've learned that taking a great photo doesn't just happen to take the best shots you sometimes have to take control. This class will lead the group to further development by exploring lighting and white balance as well as unusual viewpoints from a photography perspective. Participants will learn how to make a light box and also other creative methods for their camera.

Punch Art and Paper Craft -This class will explore various punches and paper crafting techniques. We will learn how to take every day punches and make them into many other things. Participants will combine different punched shapes to create fun images. We will also learn the importance of embellishing and adding finishing touches. All supplies are included. Participants may complete four cards ready to submit to their County fair.

Robotics – Tech Wizards will be teaching youth how to build WEDO robots. You will build robots and learn about the programming that is used to create movement for the robot. It is not limited to making robots, but also build animals, soccer players, and much more (robots provided). *Session Presenters: Alessandra Ruffolo and Kelly VanBoldrik*

Rocketry- If you are interested in learning how to build a simple single stage rocket then this session is for you. During this session you will build a rocket and learn a little bit what the Kenosha County 4H Rocketry Project has to offer in the upcoming year. *Session Presenter: Dave Swanson*

Scrapbooking - CD Album - This is an interesting and clever way to make a scrapbook and recycle too. The pages of this album are made from CD's. This paper crafting technique is great for making fabulous mini scrapbook albums and will make the most of only a few photos, they make great gifts and can be used to spotlight special occasions. Participants will complete an accordion album (minus the photos) for a fair entry. All supplies are included.

Sushi – Sushi doesn't always mean raw fish. Come join us to learn how to make basic rolls and try a few things you may never had before. *Session Presenters: Raina and Paxton Hodgson* (Only one session offered)

Theater Arts – You will be learning the basics of blocking, emotion using short skits and how to do melodrama scripts. *Session Presenters: Bob and Sherry Ludeman*

Ukrainian Eggs- Learn the art of decorating Ukrainian eggs. Using hot wax and tool called a kistka you will dye an egg in various colors to create a beautiful design on an egg you will take home. (Two sessions offered) *Session Presenters: Erin Decker and Kelly*
